HEALTHY IOWANS 2010
CHAPTER REVIEW CHECKLIST

Chapter: _____

Reviewer: _____

Please consider the following components as you review the draft Healthy Iowans 2010 chapter.

Does the draft chapter:

Follow the suggested chapter format for

_____ chapter introduction;

_____ measurable goals that can be affected within the 10-year period;

_____ rationale for each goal statement;

_____ trend line data (if possible) for each goal statement;

_____ action steps for each goal that explain responsibility and timelines?

_____ Provide a thorough review of the dimensions of the problem?

_____ List initial action steps for developmental goals that outline a plan for developing data sources?

_____ Speak to issues of health disparities in the introduction?

_____ Address the disparity issues apparent in the chapter topic?

_____ Address the quality of life issues apparent in the chapter topic (e.g., aspects that affect the functional status/well being of individuals and/or the environment/livability of communities)?

Suggestions for improvement in the draft chapter:

_____
