

## **Healthy Delaware 2010 Vision & Goals**

(adopted by the Healthy Delaware Steering Committee, 9/27/99)

### ***Vision:***

*Healthy Delaware 2010 is the people of Delaware's prevention agenda representing a shared responsibility that will serve as a community health guide throughout the decade.*

### ***Goals:***

- *To mobilize every sector in Delaware in our shared responsibility to ensure healthy communities.*
- *To eliminate health disparities among all groups, we must ensure that all people in Delaware have access to the services, information, and support they need to be healthy.*
- *To emphasize prevention in the focus of health efforts, policy, and resources in Delaware.*
- *To establish Delaware as the "First State in Health."*
