If team leader, see separate document for additional competencies associated with that position.
Qualifications: Master’s level training in public health, health education or a related field is required. Exceptional writing and interpersonal communication skills and demonstrated cultural competence are essential. Detailed knowledge of all current Microsoft Office software programs as well as any other software programs necessary to perform the job.

Abilities: To perform this job successfully the employee in this position must be able to demonstrate functionality in most of the core competencies. Must be an energetic self-starter who is able to function comfortably in a team environment or independently and relates well to co-workers and the public. This position requires flexibility and the ability to manage time and multiple tasks with little supervision.

Physical Demands: The physical demands described herein are representative of those that must be met by an employee to successfully perform the essential functions of the position. While performing the duties of this position it is regularly required to sit and write, to operate a computer and printer, fax machine, photocopier, calculator and use telephone communication devices. The employee must be able to sit and drive a car to transport him/herself to meetings or other MCD offices. Must be able to walk around the office, up and down stairs, and be able to do light lifting.

Confidentiality: MCD employees may have access to or be required, as part of the duties of this job, to view, use, and/or be aware of certain protected health information or other facts about individuals that are of a highly personal and confidential nature. Employees must follow and adhere to all HIPAA and MCD corporate confidentiality and privacy policies and practices. Employees may also be required to follow additional confidentially policies or practices required by certain programs or business units.

Safety: MCD promotes a safe work environment. Employees must follow all safety policies and procedures to ensure an accident-free workplace.

Mental Demands: Must be able to assume a wide range of responsibilities, to work with staff who vary in their work styles, and to work under pressure. Willingness to work irregular/extra hours, evenings, weekends, and travel in or out of state as necessary. Provide timely response to requests and deadlines. Receive, process, and provide visual, verbal, and written information.

Work Environment: The primary location of this position is a typical office environment. However, the responsibilities may require meetings, conferences, trainings, etc., that necessitate an individual to be in various public places.

Job Performance Evaluation: The employee will be evaluated at least annually, but more often if performance warrants it.
The above statements are intended to describe the general nature and level of work being performed by people assigned to this position. They are not intended to be interpreted as an exhaustive list of all responsibilities, duties, and skills required of personnel assigned to this position.
